### BP and Partners Announce “Best of Business” Awards

On 25th May 2006 in Baku, BP on behalf of its partners announced the winners of the first ever “Best of Business” Local Enterprise Awards as part of its support to local business development. The awards are aimed at recognizing outstanding local and international companies and business personalities, whose entrepreneurial skills are contributing to the success of BP operated oil and gas projects. They are also designed to recognize those, who have made a lasting impact on the business environment in Azerbaijan.

The initiative is in line with BP’s and its partners’ efforts to maximize local content in their projects through increasing both the number of companies participating in their contracts, and the value of contracts awarded locally.

The first Best of Business awards were presented to the following category winners:

- **Sumagytikintigurashdirma-2 received the Best HSE Performance award** for its outstanding achievements in safety, health and environmental performance;
- **Jeyhun Imanov received the Young Entrepreneur of the Year award** for his
